

HILLCREST
UNITED CHURCH OF CHRIST

News of the Community April 19, 2020

Again, this Sunday, everyone is invited to a virtual Fellowship Hour at 11:30am using either your telephone, your computer, or smartphone. Instructions to join in the conversation by telephone, or from a computer or smartphone, were emailed by Rev. Fred on Saturday, April 18.

From Christian Education:

Sunday afternoon church school is extremely popular! Ten kids participated in the “Minecraft” Easter Egg hunt last week and word is that they had lots of fun!! If your kid hasn’t yet participated in church school, email [Allison](#) Kuechle for further information. “Zoom” links are emailed weekly to the families.

IMPORTANT: If you are wanting to join our live Fellowship time or Sunday School and youth activities, and either aren't getting the information or haven't been able to link into the meetings, please let us know! Call or email the church office or Rev. Fred (see below for contact information).

From our Care Committee:

If you are able to join our growing Care Team to help with phone calling, card writing, or to be available for food or medicine pick-up for those needing such service, also please email Care Ministry Chair [Kathy](#) Flagstead. If you prefer to telephone Kathy, her phone number can be found in the Hillcrest Directory.

Church Office Remains Closed

In keeping with the California Shelter Order extending shelter-in-place to May 3, the Church office remains closed. Call **925-689-8260 extension 1003** to leave a message. Our Senior Minister, Rev. Fred, will respond or see that someone better able to handle the matter does. You may also email Office Manager [Carolyn](#) Mueller-Ries or Rev. [Fred](#).
